

## Notes from the Match Director

I'd like to thank everyone for coming out to the match on Saturday. It was our best turnout in quite a while, and there were a number of new faces.

The match ran fairly smoothly, especially considering this was the first time we've run a silhouette match. I know we had some issues with shots hitting the wood bases and knocking down targets. That's on me, and I will be working on a way to eliminate, or at least minimize, that for the next match.

Hopefully, everyone was able to get a little insight into what it takes to hit some challenging targets and how to compensate for the varying distances.

Though the scoring may be skewed due to the aforementioned problem with the bases, everyone seemed to enjoy the match. I welcome any comments or suggestions on how to make the match better, and I hope to see everyone at the next match.
